When did they decide on the Wed? I still prefer the 5th as discussed, but would suggest we stay away from the Galleria. Let's hold on yesterday's location for now.

Donn and Gary,

I wanted to talk to you about locations. HGAC is having their meeting on that Wednesday so we need to look for an alternative. We can meet at Pasadena but it is a bit of drive back to HGAC on Timmons (maybe 20 minutes), my office, or Rachel feeling bad has looked into Flood Control District on 290/610. It would be about 15 minutes away if the Galleria traffic is not bad but there is surface parking. We used to have a building in the galleria but I think it got sold. I will check.

Thanks,

Snehal
